OFFICE OF THE DEPUTY COMMISSIONER,

Dated, Kolar, the 15th August 1934.

FROM

T G RAMA IYER, Esq, B A,
Deputy Commissioner,
Kolar District

To

M.Venkatamarmappa, Esq., B.A.,
SECRETARY TO GOVERNMENT OF MYSORE,
Development *Department,*
Bangalore

SIR,

I have the honor to forward herewith a copy of the resolution of the Malur minor Municipal Council stating that the scale of pay of the Municipal clerk may be revised from Rs.30/- now existing to one of Rs.25-1-40 and to state that the ministerial establishment consists of only one clerk on Rs.30/-. The normal income of the Municipality is Rs.9,000/- per year. There is therefore scope for the revision of pay according to the standing orders.

Moreover, the proposed revision affords facility for interchange of officials from the Municipality to the Revenue Department and vice versa.

I therefore request you to be so good as to obtain sanction of Government to the revision of the scale of pay as per resolution of the Municipal Council.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

6 Under the G.O. of 28-12-1926, the Municipality which has an annual income of Rs 9000, can have two clerks – one on Rs 20-1-25 & the other on Rs 17-1-20. There is now only one clerk in the Municipality. His pay was raised from Rs 20 to Rs 25 from July 1926 and to Rs 30/- from July 1929. It is proposed to give him the grade of Rs 25-1-40 so that he may rise upto Rs 40/-

9 Because the total pay of the two clerks permitted by the G.O. referred to is not exceeded, it cannot be said that the revised pay proposed is admissible under the rules. Further, after he gets would have another clerk later, the cost of both will exceed the limit allowed

10 The object of the revision is stated to be to have facility for interchange of the members of the place with the Rev. Dept. This is no valid reason and it seems necessary to revise the grades in respect of all Municipalities

11 If orders of the proposal may be sanctioned

47 This file relates to the question of the equalisation of the pay of the clerical establishments o the Town and Minor Municipies in the State, with a view to facilitate the transfers of the officials of these bodies by interchange with those in the Revenu Department. —The question was taken up after orders were passed regarding the revision of the grades in the District Boards and the City Municipalities for the same purpose.

48 The existing scale of establishment of the Town and Minor Municipalities was sanctioned in G O No.L.4074-90/M1.145-24-19 dated 28th December 1926 and is as follows

			Rs.
I Class Municipalities with an income of over Rs 20,000/-.	1 Clerk with account qualification.		40-5/2-50 P "
	2 clerks.		30-1-35

V. Class Municipalities with an income of Rs.3,000 & less.	1 Clerk	17-1-20 P.M.

49) The Deputy Commissioners of Districts, who were requested to send proposals as to how the above grades could be revised, have forwarded the same, with information as to the staff actually maintained by the several municipalities at present. The proposals of the Deputy Commissioners are summarised in the statement flagged N.

50) Five other statements are put up showing side by side the scale allowed in the case of the several classes of municipalities under the Government Order of 1926 and the hands actually employed in them. C

51) These statements show that the full scale of establishment sanctioned has been entertained by a very small number of municipalities. Out of 21 First Class Municipalities, only five have the full strength allowed, viz , 4 clerks, while six have 3 clerks and ten have only t o clerks. Similarly out of 7 second class municipalities for which 3 clerks are allowed, only one municipality has two clerks and the others have only one clerk. Two clerks are allowed for the third and fourth class municipalities, but only three out of 37 of these municipalities

Serial No

municipalities have two clerks, the others having only one. This makes it clear that the number of hands sanctioned under the existing ~~scale~~ scale is unnecessary in the case of a large number of municipalities falling under the Classes I to IV.

52) As regards the scale of pay given to the officials also, there has been variation from the scale allowed, a lower scale being adopted in the case of some clerks and also fixed pay in some cases though this is not provided in the sanctioned scale. In the last class of municipalities for which one clerk on Rs 17-1-20 is allowed, different rates of pay have been adopted viz., 20-1-25, 25, 20, 17-1-20, and 15/-.

53) It will thus be seen that the classification of the several municipalities and the number of hands to be given to each class admit of revision, besides the revision of the scale of pay of the clerks

54) The proposals of the Deputy Commissioners summarised in statement N are not uniform — The Deputy Commissioners of Kolar, Tumkur and Hassan ~~have~~ others have merely substituted the Revenue Department grades, while the others suggest these grades as well as some smaller grades The Deputy Commissioners of Hassan and Chitaldrug ~~also~~ others also suggest a reclassification of the municipalities The former would have 3 clerks and the

lasses &
e latter six classes.

5) Under G.O.No.R 2422-32/I R.105-28-126 dated 7.10 1930 relating to the revision of pay of the stablishment of the Revenue Department, the only grades which an be adopted for the purpose in view are Rs. 0-2-50 and Rs 25-1-30½40. There is no grade ower than the latter in the District, Sub Division r Taluk Offices (except Shroffs in District and aluk Treasuries) and it will not therefore be ossible to give a lower grade of pay to municipal fficials and also make them interchangeable with hose in the Revenue Department. At the same time, t will not be possible, in view of the poor financial ondition of many small municipalities, to adopt the rade 25-1-30-1-40/- in their case, against the pay f 15,20 or 25 now being given to their clerks. he grades of Rs.15-1-20, 20-1-25 are recommended in ddition by the Deputy Commissioner, Bangalore, who ays that though these grades do not permit of the nterchange of the officials with the Revenue Depart- ent, they afford scope for transferring such offi- ials from one municipality to another. The Deputy ommissioner, Mysore, also recommends the grade of s.20-1-25. Transfers of these officials in the ower grade may be not only to other municipalities n the same district, but also to municipalies in ther districts if necessary

56) Considering the establishment actually entertained now in the several classes of municipalities and the income of those municipalies, the following reclassification of municipalities and the revised scale of establishment for each class are suggested for consideration.-

First Class Municipalities with an income of over Rs.50,000/-.	1 Clerk Rs.40-2-50 2 clerks " 25-1-30-1-40 1 " " 20-1-25/-. 4 Clerks.
Second Class Municipalities with an income of over Rs.20,000/- and less than Rs.50,000/-.	1 Clerk on Rs 40-2-50 1 Clerk " "25-1-30-1-40 1 " " " 20-1-25/-. 3 Clerks.
Third Class municipalities with an income of over Rs. 10,000 & less than Rs. 20,000/-.	1 Clerk on "25-1-30-1-40. 1 " " "20-1-25/-. 2 Clerks.
Fourth Class municipalities with an income of Rs.10,000 and below.	1 Clerk on " 20-1-25.

The annual income of the municipalities for the purpose of the above classification may be the average of the normal income of the past three years'

57) The Deputy Commissioner, Shimoga, has stated that in Sorab and Hosanagar municipalities no clerk is entertained owing to their slender finances and that the clerical work is being got done by a clerk of the Taluk office on an allowance of Rs.5/- p.m

He suggests that this system may continue for the present. It is seen that this system prevails also in Bagepalli and Gudibanda municipalities in the Kolar District. These may be allowed to be continued until the finances of the municipalities so improve as to admit the employment of an independent clerk. Point II forwdes

58) In regard to the examinations to be passed by the officials of these bodies, G.O.No.I.7487-507/ M1.151-32-15 dated 18 4.1934 prescribes an examination in the law and accounts relating to municipalities and District Boards to be passed by candidates for appointment or promotion to posts carrying a salary of Rs.25/- and over in the Municipalities and District Board Offices The accounts qualification prescribed in the G O of 1926 for the first clerks of the municipalities of the first and second classes seems therefore to be unnecessary in the case of these clerks in the revised scales proposed. Reg D Reg C Point III forwdes

59) As to the agency for the periodical transfers of the officials of these municipalities, the Deputy Commissioners of Districts may take the initiative and make the transfers, either to the Revenue Department or to the other municipalies, the orders of the Revenue Commissioner being obtained in regard to transfers outside the district - as in the case of District Boards under recent orders. SIR,

Referring to your letter No.L.5238-45/Ml.16-34-37 dated 2-2-35, calling for proposals for the revision of the scales of pay of the Clerical Establishments of the Town and Minor Municipalities so as to be at a par with the scale existing in the Revenue Department, I have the honour to forward herewith a statement showing the present scales of the several Municipalities and to state that the pay of clerks in Malur, Goribidnur, Srinivasapur and Mulbagal towns may be revised from the existing scale to one on 25-1-30-1-40 so as to permit of interchange.

2. for the revision in respect of Malur has been submitted to Govt. in this office letter No.A5-C.433/34-35 dated 22 10 34

3. A similar proposal in respect of Srinivasapur was rejected by Government in their Order No.L.2576-Ml.16-34-18 dated 5-10-34 on the ground that the income is small. But, in view of the fact that the revision secures the benefit of interchange from the Municipality to the Revenue Department or vice versa and that the clerk in this town may also be entrusted with Executive work, such as, executing distraint orders etc., in his spare hours, since there is only one executive official on Rs 17/- in the Municipality, I propose that the scale may be revised to Rs 25-1-40 even here.

I have the honour to be,
Sir,
Your most obedient servant,

SIR,

Subject —

With reference to your letter No.L.5238-45/Ml.16-34-37 date 29-1-35/22-2-1935, calling for proposals for the revision of the scale of pay of the clerical establishment of the Town and Minor Municipalities in the District, I have the honour to forward herewith a statement showing the scale of establishment now obtaining in the several municipalities in this District together with particulars as regards the annual income of the municipalities and to state as follow:--

The several grades of pay sanctioned in the Government order of 28th December 1926 in respect of different classes of municipalities have not been adopted in all the municipalities owing to straitened finances and sanction of Government has been obtained to the scales of pay now existing in the several municipalities in the District as seen from the enclosed statement. Considering the present financial condition of the municipalities, I am of opinion that scales in different classes of municipalities may be revised as follows:--

Dodballapur and Chennapatna Municipalities having an annual income of more than Rs.20000/- may be given two clerks each - one on Rs.25-1-30-1-40 and the other on Rs.25-1-30. The rest of the Town Municipalities may be sanctioned one clerk each in the grade of Rs.25-1-30-1-40. Although the latter grade i.e., 25-1-30 is not existing in the Revenue Department, this grade will facilitate the posting of Junior officials in the Revenue Department to the Municipalities.

The other smaller (minor) municipalities cannot afford to have a clerk on this high salary, their income being far below Rs.5000/- and consequently it is not possible to have in their case any grade corresponding to the Revenue Department grades. Some of the small municipalities, for example Sarjapur and Yelahanka, cannot afford to pay more than Rs.17 to 20/-. I therefore suggest that two uniform grades one on Rs.15-1-20 and the other on Rs.20-1-25 may be sanctioned for being adopted according to the circumstances of each municipality. These scales, if adopted uniformly, will, although they may not facilitate interchange of officials with the Revenue Department, afford scope for transfers from one Municipality to another.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.

Sir,

With reference to correspondence ending with your Memo No. L.6276-82 dated 7/12th March 1935, re. the equalization of the scales of pay of the Municipalities of this District, with those obtaining in the Revenue Department, I have the honor to state as follows:-

1. Instead of having five classes of Municipalities as ordered in G.O. No:L.4074-90/Ml.145-24-19 dated 21st/28th December 1926, the Municipalities may be devided into only 3 classes, and the scales of pay of their establishments may be fixed as follows:-

(1) First class, having an income of above ₹ 15,000/-.
(a) 1 clerk on ₹ 40-2-50.
(b) The other clerks on ₹ 25-1-30-1-40.

(2) Second class with an income of ₹ 8,000/- and above, but less than ₹ 15,000/-.
(a) 2 clerks on ₹25-1-30-1-40 (of whom 1 will be senior in the grade).

(3) Third class with an income of less than ₹ 8,000/-
1 clerk on ₹25-1-30-1-40.

2. It may be stated in this connection, that the Hassan, Saklespur and Harnahalli Municipal Councils have adopted the scales of pay sanctioned in G.O. No:L.4074-90/Ml.145-24-19, dated 28th Decr 1926 and have entertained the No. of hands laid down in that Govt Order. Though the Alur Municipal Council have employed 2 hands as sanctioned in the above Government Order, the scales of pay are

are not progressive. The Chennarayapatna, Banavar and Konanur Municipal Councils have employed only one clerk each on fixed pay. The Sravanabelagola Municipal Council have employed only one clerk on ₹ 17-1-20, though their income is in excess of ₹3,000/-. The Arsikere, Holenarsipur, Arkalgud and Belur Municipal Councils have adopted the scales of pay fixed in the Government Order of 28th December 1926, but have not employed the full establishment sanctioned in that Government Order.

3. If the Municipalities are divided into 3 classes as suggested above, the several Municipalities in this District, fall under one or other of the classes as noted below.-

I Class - Hassan, Holenarsipur and Arsikere.
II Class - Saklespur and Chennarayapatna.
III Class - Alur, Belur, Banavar, Harnahalli, Sravanabelagola, Arkalgud and Konanur.

4. I am of opinion that the existing scales of the several Municipalities in the District may be revised as proposed in para 1 above.

5. A statement containing the particulars called for in your letter No.L.5238-45/M1.16-34-37 dated 2nd February 1935 is enclosed.

Enclosure No. One.

Sir,

With reference to your letter No. L. 5238-45/ Ml. 16-34-37 dated 2-2-1935 calling for proposals for the revision of the scale of pay of the Clerical Establishments of the Town and Minor Municipalities in this District, so as to permit of periodical interchanges of officials between these local bodies and the Revenue Department, I have the honour to state that there are 12 Municipalities in this District, of which 2 are of the first class, 2 of the third class, 4 of the fourth class and 4 of the fifth class.

Of the two first class Municipalities viz, Shimoga Town and Sagar Town, the scale of pay of the Clerical Establishment of the former has been revised recently, equalising with the scale of pay obtaining in the Revenue Department. The Sagar Town Municipality has at present two Clerks. The Council has resolved to revise the scale of pay of the Clerks as follows

First Clerk. Rs 30-1-40.

Second Clerk. Rs 25-1-30-1-40.

As the maximum pay of both the Clerks is the same, I propose that the maximum of the 1st Clerk may be fixed at Rs 45/-

The third and fourth Class Municipalities are noted

III Class.	1. Bhadravati. 2. Thirthahalli.	IV Class	1 Channagiri 2. Honnali. 3. Nyamati/ 4. Shikarpur.

noted in the margin. There is a Clerk in each of these Muncipalities on a pay varying from Rs 25 to Rs 30/-. The scale of pay of these Clerks may also be revised to Rs 25-1-30-1-40.

The remaining Muncipalities viz Shiralkoppa, Sorab, Hosnagar and Kumsi belong to the V Class. No Clerk is employed in the Sorab and Hosnagar Muncipalities but the work is attended to by a Taluk Office Clerk for which he gets an allowance of Rs 5/- per mensem. As the finances of these two Muncipalities are very poor, the existing system may contin for the present and no separate Clerk is necessary for these Muncipalities. The Clerk of the Shiralkoppa Muncipality draws a fixed pay of Rs 25/-, which is already in excess of the sanctioned in Government Order No. L. 4074-90/ Ml. 145-24- 19 21/28-12-1926. The pay of the Clerk in the Kumsi Muncipality carries a pay of Rs 17-1-20. Owing to slender finances, it is not possible in this case to revise the scale and increase the pay so as to equalise it with that obtaining in the Revenue Department.

A statement showing the particulars re: the Establish now maintained in the several Muncipalities is enclosed herewith as desired in your letter.

OFFICE OF THE PRESIDENT,

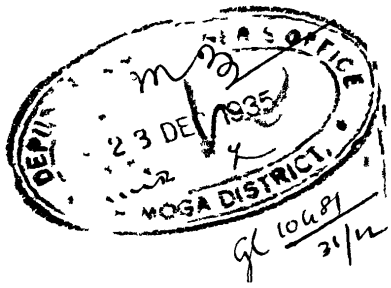
No C 42/34-35.

Sagar, Dated the 22nd December *1935*

From

The President,
Town Municipal Council,
Sagar



To

The Deputy Commissioner,
Shimoga District,
Shimoga.

Sir,

In inviting kind reference to this office letter No. C.42/34-35 dated 24-2-35 (copy enclosed for ready reference) submitting resolution of the Municipal Council on the desirability of making the grades of pay of the staff of this office paralled to that now existing in the Revenue Department, I have the honour to state as follows:-

This office ministerial staff at present consists of one Head Clerk on Rs 30-1-35 and Second Clerk on Rs 25-1-30.

The inequality of the scales in the Municipality and in the Revenue Department has been a source of great handicap to efficiency so far as the Municipalities are concerned. On the one hand, the Municipalities had frequently to put up with officials whose outlook and equipment were limited, who had no prospect of promotion, who had been too long in their places tainted with all the drawbacks of stagnation and impossible to be transferred even when the necessity was keenly felt. On the other hand, the free flow of transfer so necessary to general efficiency, and the benefits accruing to the Municipalities from an interchange of officials having a wider experience in the general line could not be availed of.

The fixed pay frequenly obtaining in the Municipalities side by side with the more attractive scales in the Revenue Department further mars the efficiency of the clerical staff by limiting their prospects of promotions.

The Council therefore readily fell in with the proposal contained in Development Secretary's letter No.L.5238-45/16-34-37 dated 29th Jan 35/ 2nd Feb.1935, forwarded with your Memo No.M.3.C.1462-323/34-35 dated 6-2-35, and submitted their resolution for so altering the present scale as to fit in and equalise with the scales in the Revenue Department and they request very early sanction thereto.

It would appear that similar proposal made in the ~~Sister~~ Municipality of Shimoga has been sanctioned. In view of the circumstances explained above and the fairly good financial position of the Municipality, I request that approval of Government may kindly be obtained as already recommended for revision of the scale of pay, so as to attract a better type of officials. This Municipality is a thriving Municipality and the work here is gradually becoming versatile in character and requires an efficient staff. It may not be out of place to bring to notice in this connection that the maintenance of accounts in a thriving Municipality requires an amount of ~~technical~~ account technique from which consideration also the improving of the prospects of the clerks is very necessary.

Copy of the resolution and a proposition statement are herewith submitted for ready reference.

I have the honour to be,
Sir,

President,

FROM

Deputy Commissioner,

To

M. Venkatanaranappa, Esq, B.A.,

Secretary to Government of Mysore,
Development Department, Bangalore

SIR,

With reference to your letter No.L.5238-45/Ml.16-34-37 dated 2nd February 1935 calling for my opinion re equalising the scale of pay of the clerical establishments of the Town and Minor Municipalities with the scale of pay obtaining in the Revenue Department, I have the honor to state that the present establishment and scales of pay in the several Town and Minor Municipalities in the District are furnished in the appended statement The two grades in the Revenue Department that nearly coincide with the scale in the Municipalities are (i) 40-2-50 and (ii) 25-1-30-1-40.

According to the Government Order No L.4074-90/ Ml. 145-24-19 dated 28th December 1926, Tumkur, and Tiptur Town Municipalities fall under the first class, their income being over Rs.20,000/-. They have to employ one clerk possessing the qualification of having passed the Accounts Examination on Rs. $40\frac{5}{2}$ -50, two clerks on Rs.30-1-35 and a fourth clerk on Rs. 20-1-25. But the present establishment in these Municipalities are as noted in the appended statement. In equalising the grades, the scale of pay of the 1st clerk may be fixed at 40-2-50 and that of other two clerks at Rs.25-1-30-1-40. The revised scale will be as noted in the margin*. (Vide Page 3)

There is only one second class Municipality i.e Kunigal

Kunigal with an income of not less than Rs.15,000/-. According to the Government Order of 1926, there should have been one clerk with Accounts qualification on Rs.30-1-35, a second clerk in grade Rs.25-1-30 and a third clerk in grade Rs 20-1-25, but at present there is a single clerk on Rs.25/-. As the financial condition of this Municipality does not permit of the employment of any more clerks, the present single hand may continue, his scale of pay being fixed at Rs 25-1-30-1-40.

The third grade Municipalities, whose income exceeds Rs.10,000/- and is less than Rs 15,000/- as per the Government Order of 1926, should have one clerk on Rs.25-1-30 and a second clerk on Rs.20-1-25. Madhugiri, Sira and Gubbi Municipalities come under this category The present scale of pay is as noted in the statement. It is only in the Madhugiri Town Municipality that the pay of 1st clerk is fixed at Rs.30/-. In the other two Municipalities viz Sira and Gubbi the scales are Rs 25 and Rs 20/- in grade of 20-1-25 respectively. I propose that the scale of both the clerks in these three Municipalities may be fixed at Rs. 25-1-30-1-40 as this is the lowest scale of pay obtaining in the Revenue Department.

The income of Chiknaikanahalli Town Municipality is Rs. 9,300/- and this falls under the fourth class of Municipalities which should have two clerks, one on Rs 20-1-25 and the other on Rs 17-1-20 At present there are two clerks, on in grade of Rs 25-1-30 and the second on Rs 20/-. The scale of these two clerks also may be fixed on Rs 25-1-30-1-40 in anticipation of its income going up to Rs.10,000/- and as there is no grade on Rs 17-1-20 in the Revenue Department to coincide with the second clerk of this class of Municipality as stated.

Pavagada, Koratagere and Turuvekere Municipalities are minor Municipalities. The Pavagada Municipality has only one clerk on Rs 20/- while the other two Municipalities have each a clerk on Rs 25/-. This may be allowed to continue and the scale
